

## **Press Release HELIGIRLS for World Helicopter Championships (WHC) 2008**

Dietzenbach, August 2008

We would like to introduce ourselves:

Pilot Bettina „Tina“ Schleidt: Industrial Psychologist and helicopter pilot, owns the private helicopter licence and the professional helicopter licence (Austria). Ratings on Robinson R22, Robinson R44 and Bell Jet Ranger 206. Tina currently writes her thesis at the Technical University of Kaiserslautern, chair for virtual product development. She would like to „land“ afterwards in the field of Aviation Psychology.

Co-Pilot Gisela „Gisi“ Freund: Heligirl No. 2 is Gisi (Gisela Freund). She works as paramedic with the Bavarian Red Cross in Passau and since six years as HEMS crew member on Christophorus Europa 3, a rescue helicopter that is based in Suben (A)

Ambassadors in the German television for the World Helicopter Championships, July 2008

Both together we are part of the German Helicopter Team and will take part as one of the two German women crews in this year's World Helicopter Championships in Eisenach.

- 2.) By selling of **T-Shirts** that we designed especially for the WHC we try to reduce our costs, too.

On our webside [www.heligirls.com](http://www.heligirls.com) you will find further information about us. You may also contact us directly.

Please keep your fingers crossed for our German Heli Team and us.

Always happy and intended landings,

Tina & Gisi
